

LEAPFROG BY THE NUMBERS

For 25 years, The Leapfrog Group has been collecting, analyzing and publishing data on safety and quality to advance the U.S. health care ecosystem. Leapfrog's commitment to transparency has fostered high-value care, empowered informed health care decisions and driven significant progress in the safety, quality and affordability of health care.

80% of U.S. acute care beds are in hospitals that voluntarily participate in the **Leapfrog Hospital Survey** each year.

65% of hospitals tie **C-suite evaluation** and **compensation** to Leapfrog's safety metrics.

More than

3,000

U.S. hospitals are assigned Safety Grades twice a year by The Leapfrog Group.

WAYS TO ENGAGE

Partners Advisory Committee (PAC)

LEAPFROG Partners Advisory Committee

The PAC provides the highest level of engagement with Leapfrog and its community of hospitals, employers, and payors. It hosts four meetings annually—two in-person and two virtual—featuring Leapfrog board members and senior leaders. These meetings offer exceptional networking opportunities

PAC membership is highly selective, reserved for organizations deeply committed to patient safety. Along with the prestige of membership, Leapfrog offers exclusive visibility for our partners. Partner innovations are showcased on our Innovators for Leapfrog website, featured in custom-branded webinars, and highlighted in our newsletter, which reaches nearly 40,000 senior-level decision-makers.

Event Sponsorship

Join us on December 16, 2025, for the Leapfrog Annual Meeting and Awards Dinner in the Washington, D.C. area. This is a unique opportunity to connect with over 500 senior leaders and C-suite executives from hospitals and ASCs, along with other influential industry thought leaders and stakeholders. Take advantage of networking opportunities during breaks, meals, the cocktail reception, and dinner.

Exhibit space is limited, with PAC members receiving priority to secure a spot.
